**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not let AT&T and USTelecom change the current laws to allow for less broadband competition. I have fiber from Sonic that is reasonably priced, where the AT&T solutions available to me are much more expensive. I love the fact that I have a choice and making laws to take that away will take away will end up costing me more money. We need competition in this market.
